

Sunbury Parish Boundaries

The Sunbury Parish boundaries indicate which school you are zoned to and can enrol your child at, based on where you reside. If you reside outside the zone for the school that you wish to enrol, you may be considered for pastoral reasons. If you wish to apply to a school outside your zone for pastoral reasons, you will need to submit a letter with your application explaining your reasons. Please submit only one application form to the school which you wish your child to attend.
